## Floral Kingdom and Plants

### *Describing the fynbos*

In order to find out your ideas on "fynbos", imagine you are a "fynbos" detective. Your assignment is to correctly identify "fynbos" as the hero in the crime and be able to justify to a court hearing how you came to your decision.

Sketch	Description of Fynbos Species
<p>Draw your interpretation of fynbos.</p>	<p>Describe why you feel your plant is hailed as a hero plant. In other words, why is it an important species?</p>
