Food chains on Table Mountain

Activity

Cut up the picture cards and labels below and use them to complete different food chains in the table.

Producer	Consumer	Secondary Consumer	Predator
 Algae	 Worm	 Man	 Eagle
 Falcon	 Cabbage	 Chicken	 Plankton
 Sparrow	 Fish	 Leaf	 Caterpillar

Assessment

1. What is a food chain? Provide an example. (A food chain shows how living things get energy.)
2. What is a food web? Provide an example. (A food web shows how food chains in an ecosystem overlap.)
